

WORKSHOP ON 'LAW AS A CAREER'

A workshop by Bellclat Academy was organized in the school auditorium on 24.7.18 for classes XI and XII. Students were introduced with legal perspectives of different law firms. They were provided with useful information and career options. The workshop discussed effective means to get admission in law colleges. The exam pattern of law entrance exam was also explained to the students. Students who were in a state of confusion asked questions and their doubts were cleared. The session proved to be beneficial as it not only guided the students but also increased their knowledge about various law colleges and career options.
